Regarding Foreground, Grant Agreement Article II.26. - Article II.29. shall apply with the following additions:

8.1 Joint ownership

In case of joint ownership of Foreground, each of the joint owners shall be entitled to use their jointly owned Foreground free of charge, and without requiring the prior consent of the other joint-owner(s) for their own direct use only.

As long as the co-ownership agreement is not yet concluded, each of the joint owners shall be entitled to grant non-exclusive licences to third parties, without any right to sub-licence, subject to the following conditions:

- a) at least 45 days prior notice must be given to the other joint owner(s); and
- b) fair and reasonable compensation must be provided to the other joint owner(s). for the avoidance of doubt "fair and reasonable" may mean free of charge.

8.2 Transfer of Foreground

Each Party may transfer ownership of its own Foreground in all or in part following the procedures of the Grant Agreement Article II 27.2.

It may identify specific third parties it intends to transfer the ownership of its Foreground to in [Attachment 5] to this Consortium Agreement.

The other Parties hereby waive their right to object to a transfer to listed third parties according to Grant Agreement Article II.27.3.

The transferring Party shall, however, notify the other Parties of such transfer and shall ensure that the rights of the other Parties will not be affected by such transfer.

Any addition to [Attachment 5] after signature of this Agreement requires a decision of the General Assembly.

The Parties recognize that in the framework of a merger or an acquisition of an important part of its assets, a Party may be subject to confidentiality obligations which prevent it from giving prior notice for the transfer as foreseen in the Grant Agreement Art. II 27.2.

8.3 Dissemination

8.3.1 Publication

Dissemination activities including but not restricted to publications and presentations shall be governed by Article II.30 of the Grant Agreement.

8.3.2 Publication of another Party's Foreground or Background

For the avoidance of doubt, a Party shall not publish Foreground or Background of an other Party, even if such Foreground or Background is amalgamated with Party's Foreground, without the other Party's prior written approval.

8.3.3 Cooperation obligations

The Parties undertake to cooperate to allow the timely submission, examination, publication and defence of any dissertation or thesis for a degree which includes their Foreground or Background. However, confidentiality and publication clauses have to be respected.

8.3.4 Use of names, logos or trademarks

Nothing in this Agreement shall be construed as conferring rights to use in advertising, publicity, or otherwise the name of the Parties or any of their logos or trademarks, without their prior written approval.

Section 9 : Access Rights

9.1 Background covered

The Parties shall identify in the [Attachment 1] the Background to which they shall grant Access Rights, subject to the provisions of this Consortium Agreement and the Grant Agreement and may update the Attachment 1 during the Project.

However, A Party may decide to withdraw Background from [Attachment 1] provided that :

- (i) such Party provides the other Parties with a prior written notice to that effect,
- (ii) the Background has not yet been used by one of the Parties and/or is not planned to be used.

The Parties agree that all background not listed in [Attachment 1] shall be explicitly excluded from Access Rights.

The Parties agree, however, to negotiate in good faith additions to [Attachment 1] if a Party so request and provide such additions are needed. For the avoidance of doubt, the owner is under no obligation to agree to additions of his Background to [Attachment 1].

9.2 General Principles

Each Party shall take appropriate measures to ensure that it can grant Access Rights and fulfil the obligations under the Grant Agreement and this Consortium Agreement notwithstanding any rights of its employees, or any person it assigns or engages to perform its own Work Package for the Project.

As provided in the Grant Agreement Article II.32.3 the Parties shall specify promptly in [Attachment 1] any limitation to the granting of Access Rights to Background or of any other restriction which might substantially affect the granting of Access Rights (e.g. the use of open source code software in the Project).

Any Access Rights granted expressly exclude any rights to sublicense unless expressly stated otherwise.

Access Rights shall be free of any administrative transfer costs.

Access Rights are granted on a non-exclusive basis, if not otherwise agreed in writing by all the Parties according to the Grant Agreement Article II.32.7

Foreground and Background shall be used only for the purposes for which Access Rights to it have been granted.

All Access Rights shall be granted upon written request. The granting of Access Rights may be made conditional on the acceptance of specific conditions ensuring that these rights will be used only for the intended purpose and that appropriate confidentiality obligations are in place.

The requesting Party must show with all due care and in good faith that the Access Rights are needed, notably if such requesting Party reasonably believes that without Access Rights on another Party's Background or Foreground, the performance of its own tasks for the Project or the Use of its own Foreground would be technically impossible or significantly delayed,

9.3 Access Rights for implementation

Access Rights to Foreground and Background needed for the performance of the own work of a Party under the Project shall be granted on a royalty-free basis

9.4 Access Rights for Use

Access Rights to Foreground if needed for Use of a Party's own Foreground shall be granted on fair and reasonable conditions.

Use for third party research shall be subject to the prior written approval of the owner of the Foreground, such agreement will not be unreasonably withheld.

Access rights for internal research activities shall be granted on a royalty-free basis.

Access Rights to Background if needed for Use of a Party's own Foreground shall be granted on fair and reasonable conditions.

A request for Access Rights may be made up to [two (2)] years after the end of the Project.

9.5 Access Rights for Affiliated Entities

Notwithstanding Article II.34.3 of the Grant Agreement, Affiliate Entities shall enjoy Access Rights where the Party requiring Access Rights for its Affiliate Entity can show that its Affiliate Entity:

- holds the right to use the Foreground owned by the Party it is affiliated to; and
- Needs Access Rights in order to Use such Foreground; and
- **[is established in a Member State or an Associated Country; and]**
- is listed in [Attachment 3] to this Consortium Agreement.

Such Access Rights shall be granted on fair and reasonable conditions and upon written bilateral agreement with the owner of the Information. Affiliated Entities which obtain Access Rights shall fulfil all confidentiality and other obligations accepted by the Parties under the Grant Agreement and under this Consortium Agreement as if such Affiliated Entities were Parties.

However a Party may refuse to grant Access Rights to another Party's Affiliated Entity which is listed in Attachment 3 if the Party requested to grant such Access Rights has, prior to the signature of the Consortium Agreement, raised objections stating that its Legitimate Interests would be affected by the addition of that Affiliated Entity to such list.

Notwithstanding provision in art 6.3.6 the same shall apply for an Affiliated Entity which has been added to [Attachment 3] following a decision of the General Assembly where a Party had voted against the inclusion of the Affiliated Entity in said list.

Access Rights granted to any Affiliated Entity are subject to the continuation of the Access Rights of the Party to which it is affiliated, and shall automatically terminate upon termination of the Access Rights granted to such Party.

In the event of any change of control of an Affiliated Entity, any Access Rights granted to such former Affiliated Entity shall lapse unless agreed otherwise by the owning Party.
Further arrangements with Affiliated Entities may be negotiated in separate agreements.

9.6 Additional Access Rights

Any grant of Access Rights not covered by the Grant Agreement or/and this Consortium Agreement shall be at the absolute discretion of the owning Party and subject to such terms and conditions as may be agreed between the owning and receiving Parties.

9.7 Access Rights for Parties entering or leaving the Consortium

9.7.1 New Parties entering the Consortium

All Foreground developed before the accession of the new Party shall be considered to be Background with regard to said new Party.

9.7.2 Parties leaving the Consortium

9.7.2.1 Access Rights granted to a leaving Party

9.7.2.1.1 Defaulting Party

Access Rights granted to a Defaulting Party and such Party's right to request Access Rights shall cease immediately upon receipt by the Defaulting Party of the formal notice of the decision of the General Assembly to terminate its participation in the Consortium.

9.7.2.1.2 Non-defaulting Party

A non-defaulting Party leaving voluntarily shall have Access Rights to the Foreground developed until the date of the termination of its participation. The time-limit for its right to request these Access Rights shall start on the same date.

9.7.2.2 Access Rights to be granted by any leaving Party

Any Party leaving the Project shall continue to grant Access Rights pursuant to the Grant Agreement and this Consortium Agreement as if it had remained a Party for the whole duration of the Project.

9.8 Specific Provisions for Access Rights to Software

For the avoidance of doubt, the general provisions for Access Rights provided for in this Section 9 are applicable also to Software.

Parties' Access Rights to Software do not include any right to receive source code or object code ported to a certain hardware platform or any right to receive respective Software documentation in any particular form or detail, but only as available from the Party granting the Access Rights.

9.9 Ownership and use of materials or equipment

In the event a material or equipment is developed or manufactured in the frame of the Project by two or more Parties, such Parties shall enter into a separate agreement addressing the ownership and conditions of use, maintenance, deposit, etc... of such material or equipment.

The Parties to the Consortium Agreement will be granted a right to use free of charge such material or equipment for the implementation of the Project in accordance with Annex I and the loan conditions in **[Attachment 6]** to the Consortium Agreement.

Section 10 : Non-disclosure of information

All information in whatever form or mode of transmission, which is disclosed by a Party (the "Disclosing Party") to any other Party (the "Recipient") in connection with the Project during its implementation and which has been explicitly marked as "confidential", or when disclosed orally, has been identified as confidential at the time of disclosure and has been confirmed and designated in writing within **[15] [30]** days from oral disclosure at the latest as confidential information by the Disclosing Party, is "Confidential Information".

The Recipients hereby undertake in addition and without prejudice to any commitment of non-disclosure under the Grant Agreement, for a period of **[15] [10]** years after the end of the Project :

- not to use Confidential Information otherwise than for the purpose for which it was disclosed;
- not to disclose Confidential Information to any third party without the prior written consent by the Disclosing Party;
- to ensure that internal distribution of Confidential Information by a Recipient shall take place on a strict need-to-know basis; and
- to return to the Disclosing Party on demand all Confidential Information which has been supplied to the Recipients including all copies thereof and to delete all information stored in a machine readable form. If needed for the recording of ongoing obligations, the Recipients may however request to keep a copy for archival purposes only.

The Recipients shall be responsible for the fulfilment of the above obligations on the part of their employees and shall ensure that their employees remain so obliged, as far as legally possible, during and after the end of the Project and/or after the termination of employment.

The above shall not apply for disclosure or use of Confidential Information, if and in so far as the Recipient can show that :

- the Confidential Information becomes publicly available by means other than a breach of the Recipient's confidentiality obligations;
- the Disclosing Party subsequently informs the Recipient that the Confidential Information is no longer confidential;

- the Confidential Information is communicated to the Recipient without any obligation of confidence by a third party who is in lawful possession thereof and under no obligation of confidence to the Disclosing Party;
- the disclosure or communication of the Confidential Information is foreseen by provisions of the Grant Agreement;
- the Confidential Information, at any time, was developed by the Recipient completely independently of any such disclosure by the Disclosing Party; or
- the Confidential Information was already known to the Recipient prior to disclosure.

The Recipient shall apply the same degree of care with regard to the Confidential Information disclosed within the scope of the Project as with its own confidential and/or proprietary information, but in no case less than reasonable care.

Each Party shall promptly advise the other Party in writing of any unauthorised disclosure, misappropriation or misuse by any person of Confidential Information as soon as practicable after it becomes aware of such unauthorised disclosure, misappropriation or misuse.

If any Party becomes aware that it will be required, or is likely to be required, to disclose Confidential Information in order to comply with applicable laws or regulations or with a court or administrative order, it shall, to the extent it is lawfully able to do so, prior to any such disclosure notify the Disclosing Party, and comply with the Disclosing Party's reasonable instructions to protect the confidentiality of the information.

The confidentiality obligations under this Consortium Agreement and the Grant Agreement shall not prevent the communication of Confidential Information to the European Commission.
